

Travelers Healthcare Finance Announces Launch of Crelogix®

Vancouver, BC, September 17, 2007 -- Travelers Acceptance Corporation has announced the launch of "Crelogix®". Crelogix® is a proprietary web based credit application submission, adjudication, loan document delivery system developed expressly for use by patient coordinators and medical office administrators at progressive Clinics, Therapists and Practitioners facilities across Canada.

Travelers developed the Crelogix® system over the past year to meet growing demand for Patient Financing and to assist Clinics, Therapists and Practitioners (and their patrons) with a real time system to facilitate on-the-spot financing for healthcare related procedures not otherwise covered by insurance.

"Canadian consumers are seeking the benefits of elective procedures to achieve dental and medical health, and to increase personal confidence for themselves and their children. The industry has seen exponential growth in these procedures as more and more consumers become aware of, and see the importance of, looking their best for maximum personal wellbeing, achievement, and career advancement. Consumer patients can now arrange for affordable monthly patient payment financing directly at their participating clinic, therapist and practitioners office," said Karl E. Sigerist, Jr., Senior Vice President and Chief Operating Officer for Travelers Acceptance Corporation.

Crelogix® eliminates the need for lengthy telephone calls, improving the time, accuracy and delivery of the patient's loan documents. Travelers Healthcare Financing services include and are available for patients who require financing for aesthetic plastic surgery, dental care, orthodontia, hair restoration, laser eye care, dentures, hearing aids, other aesthetic and therapeutic treatments plus veterinarian procedures. Crelogix® promises to greatly enhance 'consult to booked procedure' ratios for participating Clinics, Therapists and Practitioners.

Healthcare service providers interested in registering for Crelogix®, a new patient financing service, can contact Travelers directly at 1-800-667-6400.
