

Safety Bath Partners With Travelers Acceptance

Vancouver, BC., October 26 2009 – Safety Bath Inc. a manufacturer of walk-in bathtubs used in hospitals and nursing homes, has partnered with Travelers Acceptance to help their Canadian retail dealer network with in-house financing.

Says Don Hardy, Sales Manager for Safety Bath, “We want to offer ongoing support for our dealers offering quality products such as our walk-in bathtubs. Helping our retail dealers by making available an in-house financing plan is part of the ongoing support and investment we make with our dealers.”

Travelers Acceptance has helped thousands of retailers with 3rd party financing for over 35 years. Ron Barker, Managing Director of HealthCare Finance with Travelers, said “Safety Bath is an internationally recognized manufacturer of high quality walk-in bathtubs. We are proud to partner with Safety Bath to help their dealers grow.”

The HealthCare Finance division of Travelers Acceptance is able to offer consumer financing to retailers offering medical products and services. The HealthCare program helps dentists, veterinarians, audiologists, hair replacement, eye surgery, weight loss and fertility clinics, cosmetic surgery and rehabilitation clinics, medical products retailers carrying scooters, wheelchairs, beds, walk-in bathtubs, oxygen and sleep apnea therapy and more.

About Travelers: Travelers Acceptance Corporation has since 1974 been engaged by businesses to arrange, structure and fund unique indirect consumer financing solutions across a wide range of industries including tuition, automotive aftermarket, vacation ownership, healthcare, membership, consumer durables, power products and home improvements. Travelers consults with its client partners to create term financing programs that attract and retain more clients, close more sales, and increase overall profitability. Crelogix is travelers proprietary automated loan adjudication and document processing system providing participating partners with real-time payment calculation, credit grading, contract compliance, loan status and portfolio reporting.
