

## Scholars Adds Travelers Tuition Finance to Toolbox for Success

Burnaby, BC -- September 5, 2006 – Travelers Acceptance Corporation and Scholars Education Centres are pleased to announce that they have entered into a partnership whereby all Scholars centres are now in position to offer Travelers term finance solutions to its students and their parents. Travelers Tuition Finance provides a 100% Acceptance Program to enable all students to get the assistance they need today to accelerate learning. The Travelers program means that Scholars Education Centres can expand enrolment and extend the benefits of Scholars programs to an even wider circle of students who seek to strengthen their skills and achieve their academic goals. With this additional financing tool Scholars centres can increase our test to enroll ratio, length of stay and commitment while maximizing our facilities and resources with full capacity sessions.

Travelers Tuition Finance Program Manager is Tanya Meikle. Tanya has worked with Travelers for more than 16 years and has over the past six years specialized in working closely with schools to develop innovative captive financing solutions to assist education providers to attract new students, increase enrollment, and add to the growth of their businesses and their bottom lines. Tanya will be setting up sessions for all centres in order to introduce the program, its benefits, and guidelines on how the process works.

Travelers Tuition Finance has been developed by Travelers Acceptance Corporation, a member of the Travelers Financial group of companies.

Travelers Acceptance Corporation is an all Canadian firm which offers a wide range of consumer concentric financing programs through financial intermediaries and authorized business partners of which Scholars is now one.

Travelers Tuition Finance Program provides term financing with flexible, affordable payments to assist families and students with limited or diverse credit histories to complete their studies in K-12, post secondary, specialty, private and career training education.
