Affordability Now

A price solution that suits the consumer's monthly budget.

Whether you are a manufacturer, distributor, wholesaler, buying group, franchisor, national, regional, or an independent, leading companies have long known that a full range of consumers welcome an affordable means to budget for products and services they need or want.

The solution is **Point of Sale Consumer Financing.**

Through partnership with Travelers your company's channel will have the benefit of offering consumers virtually instant term financing with affordable monthly payments for your products and services.

Providing the consumer with the ability to arrange, structure and pay for major automotive repairs, products and components via an affordable monthly payment plan is a direct route to increased market share, customer satisfaction, maximized shop time and cash flow.

Value added Sales & Marketing Support

Consumer credit services offered by Travelers through your distribution and service network increases the value in their relationship with your organization. Your network of repairers will gain access to consumer financial services that as individual operators they would not have the time or resources to develop and maintain on their own. Gain access to an expanded marketing and sales aid tool, backed with flexible consumer credit support services, that help grow your business.

Contact Travelers for a no obligation consultation to discover how Travelers can increase your overall revenue, cash-flow, product sell through, consumer loyalty and bottom-line profits.
