- IMPROVED CASH FLOW
- STRONGER PROFIT MARGINS
- PATIENT LOYALTY

Affordability Now

A price solution that suits the patient's monthly budget

Whether you are a private clinic, professional corporation, manufacturer, distributor, or franchise operation, leading companies have long known that a full range of Canadians welcome an affordable means to budget for required or elective healthcare procedures and products not covered in whole or in part by other plans.

The solution is point of sale Patient Financing

Through partnership with Travelers your clinic will have the benefit of offering patients virtually instant term financing with affordable monthly payments for your services and products.

Providing the patient with the ability to arrange, structure and pay for procedures and products via an affordable monthly payment plan is a direct route to increased adoption, client satisfaction and cash flow.

Value Added Sales & Marketing Support

Patient credit services offered by Travelers through your distribution network increase the value in their relationship with your organization. Your network of doctors, clinics, caregivers and centres gain access to patient and client focused financial services that as individuals they do not have the time or resources to develop and maintain on their own. Give them access to an expanded marketing and healthcare tool, backed with flexible patient credit support services, that helps grow your business.

Contact Travelers for a confidential consultation. Discover how Travelers can increase your consult to procedure ratio, overall revenue and cash flow, patient loyalty and bottom line profits.
